

DG_Elem::Traco_sn

```
graph LR; A[DG_Elem::Traco_sn] --> B[Stdlib::qborder_val]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'DG_Elem::Traco_sn'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Stdlib::qborder_val'. Both boxes have a black border.
